Group Booth Chat

Virtual Event Exhibit Hall Experience

Booth Staffers and Attendee's can chat either in the Unlimited Chat / Commentary Thread Box box to the left of this image or connect / invite others to a one to one for a live chat chat (must be accepted by the invitee) by just clicking on their name/profile and invite to chat (see below)

Booth owners should be encouraged to staff their booth with enough staff for the volume of your event. Not unusual to have up to 5 or more staffers per booth for 1000 person attended show.

Virtual Event Exhibit Hall Experience

Booth Staffers and Attendee's fill out their profile information and can connect with one another.....either inside of the booth or from anywhere in the environment!
