Mining & Construction Vietnam 2026 successfully concluded with the strong support and active participation of the mining and construction community in Vietnam. Over the three-day event, the exhibition created valuable opportunities for business networking, technology updates, and industry collaboration, marking a noteworthy milestone for the market. Let's look back at the key highlights and outstanding achievements of this year's edition.

MINING & CONSTRUCTION VIETNAM 2026 OVERVIEW

4,000+

Total attendees

185

Exhibitors

From

18

Countries / Regions

12,000⁺m²

EXHIBITOR HIGHLIGHTS | GEOGRAPHICAL BREAKDOWN

And other exhibitors...

MINING

» COAL MINE AUXILIARY PRODUCTION SYSTEM

- Dedusting Units
- Dewatering / Dewatering Units
- Dryers / Dryers for Sand & Gravel
- Electrical Equipment & Supplies
- Lighting & Illumination – Commercial / Safety / Floodlights

» COAL MINE ELECTROMECHANICAL & POWER

- Bearings
- Bins
- Compressors
- Electric Motors & Generators
- Electrical Cables, Fitting, Accessories & Controls

» MINE MATERIAL / INSTRUMENT & PROCESSING

- Agitators & Mixers
- Auto Electrical
- Automotive Electrical Engineered Solutions
- Batteries
- Chemicals & Flocculants

» SMART MINE & AUTOMATION

- Analytical Instruments
- Assay Equipment
- Communications & Tracking Equipment
- Computers & Software
- Ground Penetrating Radar

» SURFACE / UNDERGROUND MACHINERY

- Auger Mining Equipment
- Blasting Equipment
- Coal Plough
- Construction Equipment
- Continuous Mining Machines

» TRANSPORTATION

- Auxiliary Transportation
(Rail transportation / Trackless transportation)
- Bucket Wheel Excavators
- Excavators
- Front-End Loaders
- Graders

CONSTRUCTION

» AUTOMATION

- CAD & 3D Printers
- Lighting Controls
- Smart Electrical Solutions (MCB / Isolators / ELCB's)
- Smart Meters / Smart Sensors

» CHEMICAL

- Admixtures / Coatings
- Colours
- Concrete Removers
- Insulation & Waterproofing

» HEAVY EQUIPMENT

- Articulated Vehicles
- Asphalt Paver
- Cranes / Diggers
- Drilling Machines

» INFRASTRUCTURE

- Cables & Electrical
- Drainage Systems
- HVAC
- Landscaping
- Port & Airports

» MANPOWER & MANAGEMENT

- Architecture
- Cleaning Services & Systems
- Communications & Navigation
- Facilities Management
- Project & Data Management Software

» MATERIALS

- Aggregates / Asphalt
- Brick / Cement
- Components & Parts

» TOOL & EQUIPMENT

- Formwork & Scaffoldings
- Hand & Power Tools
- Hydraulic Tools
- Pliers
- Power Generation / Back Up Power

EXHIBITORS' TESTIMONIALS

Mr.
Daniel Vacek

Vice President
Czech Extraction & Mining Technology Association

“Mining & Construction Vietnam 2026 is an important platform for us to connect with local partners in a key market like Vietnam, especially across the mining and power sectors where our technologies can bring practical value.

Mr.
Thach Nguyen Kim Toan

Marketing Manager
Dai Kinh Bac Trading Import Export And Technical Co.,Ltd

“The exhibition was professionally organized and gave customers a valuable opportunity to experience products firsthand. It also created meaningful space for direct engagement, practical feedback, and better understanding of customer needs.

Mr.
Nguyen Hoang Thao

Head of Technical Department
Van Thai Long Mechanical and Electrical Joint Venture Co.,Ltd

“At this exhibition, I find that the organization is very well prepared and highly relevant to our scope. The event provides a great opportunity for us to introduce our products to a wide audience.

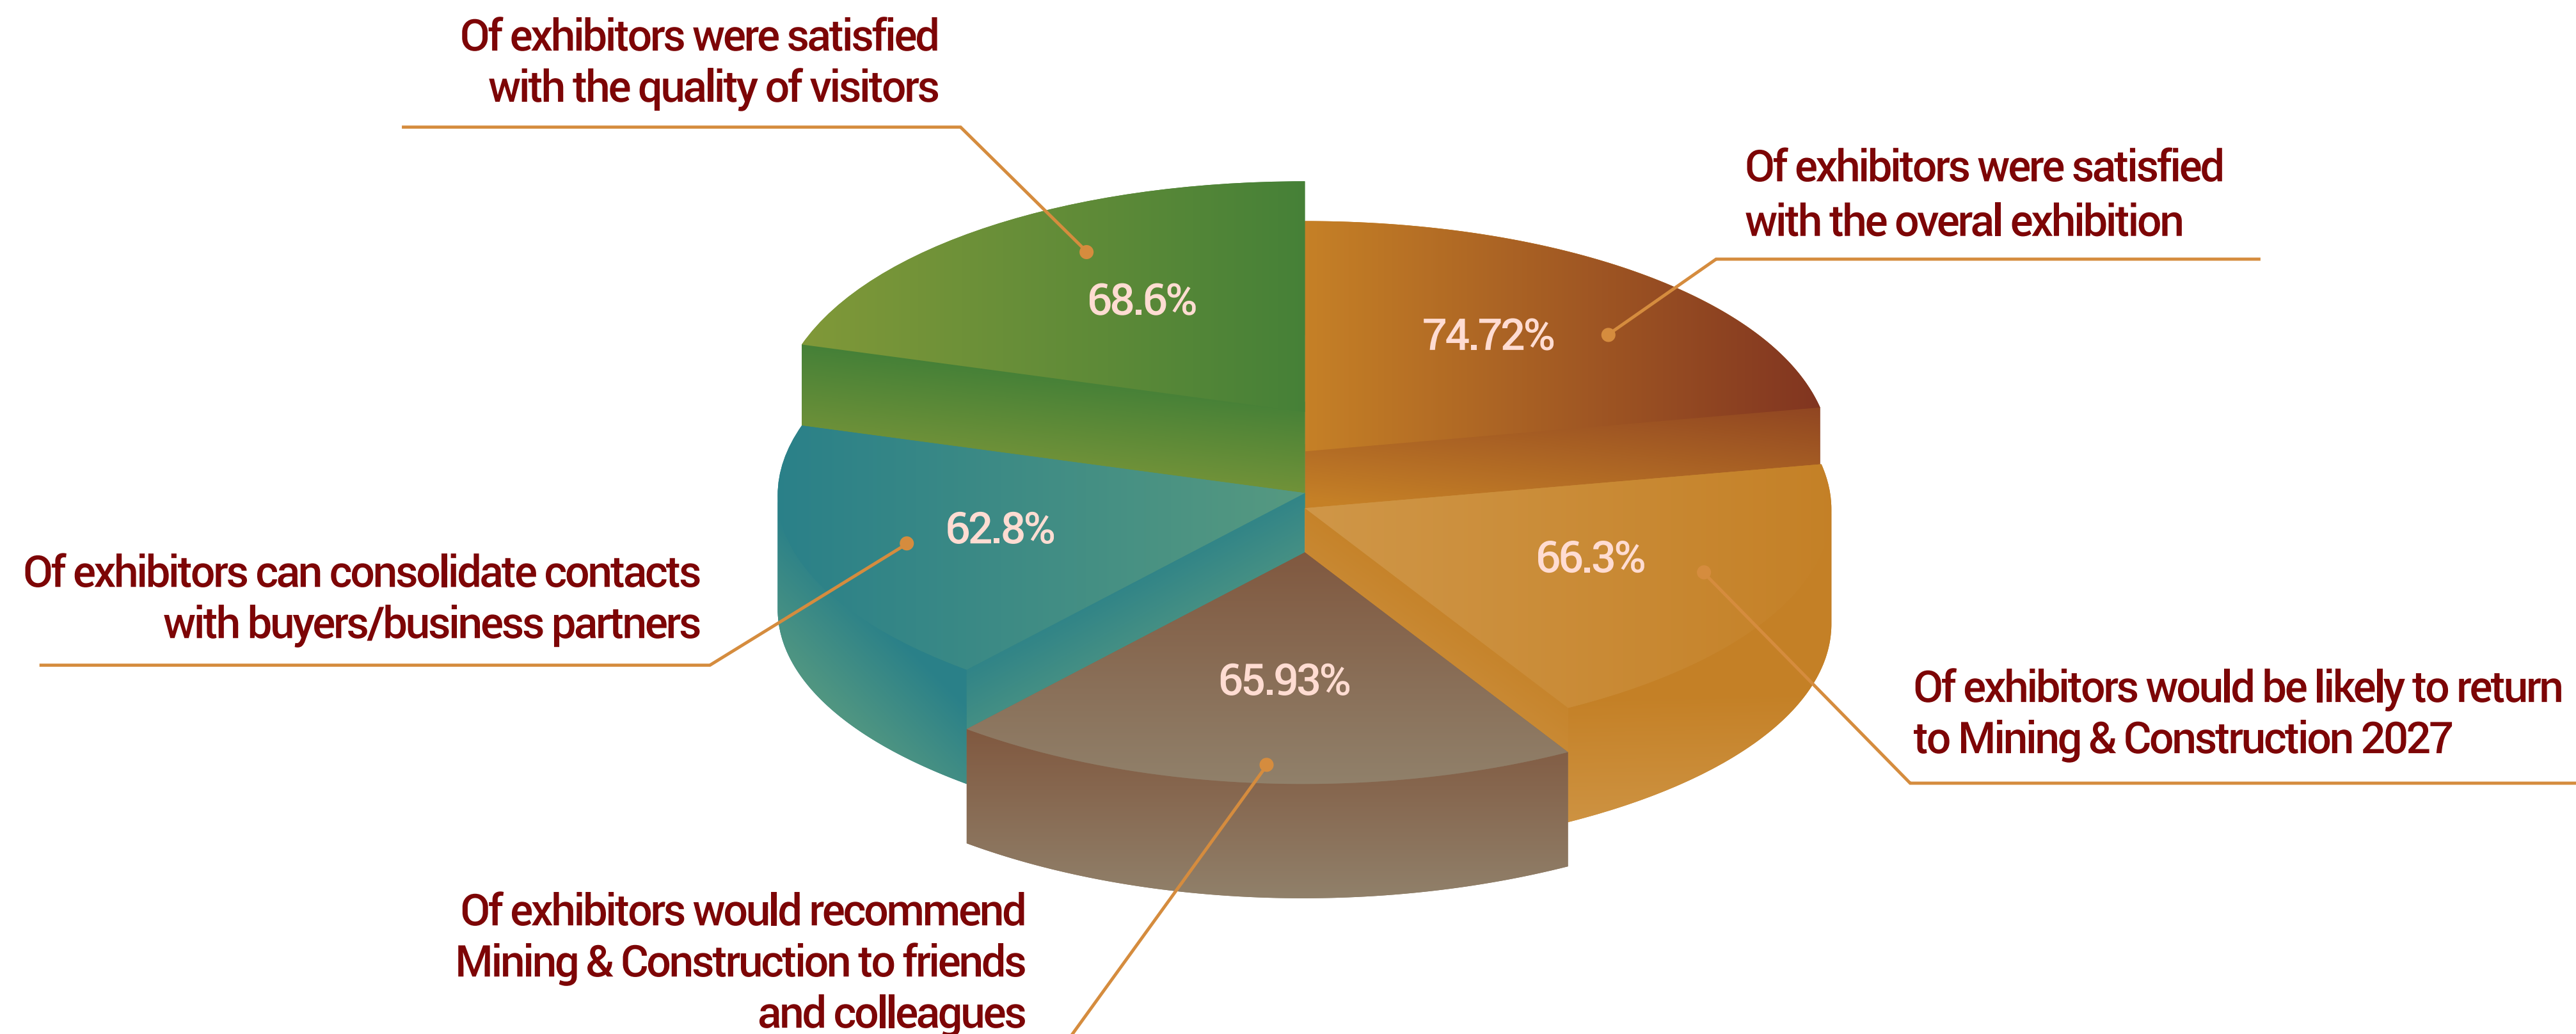

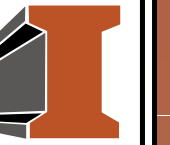

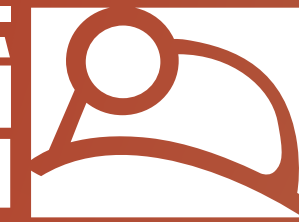

Ms.
Dinh Thi Thu

Sale Assistant
Sunward Vietnam Co.,Ltd

“This exhibition is an effective platform for us to promote new product lines and strengthen our presence in the Vietnamese market. The spacious outdoor area, vibrant atmosphere, strong visitor turnout, and dynamic on-site activities have created a very positive and engaging experience.

EXHIBITORS' SATISFACTION

BUSINESS NATURE

- » Agent / Distributor / Trading
- » Government Agency, Association, Education & Training, Publications
- » Importer / Exporter
- » Manufacturer
- » OEM / Subcontractor
- » Service Company
- » Wholesaler / Retailer

BUSINESS ACTIVITY

- » Cement Manufacturers
- » Construction House / Contractors / Builders
- » Engineering Firm
- » Geodesy
- » Geological / Engineering Institutes
- » Mine Owners / Developer / Operator
- » Mineral Exploitation
- » Mineral Exploration
- » Mineral Processing Plants / Foundries
- » Plants / Mine Chief's
- » Power Gen / Distributors / Transporters
- » Quarry Owners, Limestone, Granite, Sandstone owners

VISITORS' QUOTE

Ms.
Pham Thi Ngoc Anh

CEO
Trung Viet Link Joint Stock Company

“Mining & Construction Vietnam 2026 is an important platform for us to connect with local partners in a key market like Vietnam, especially across the mining and power sectors where our technologies can bring practical value.

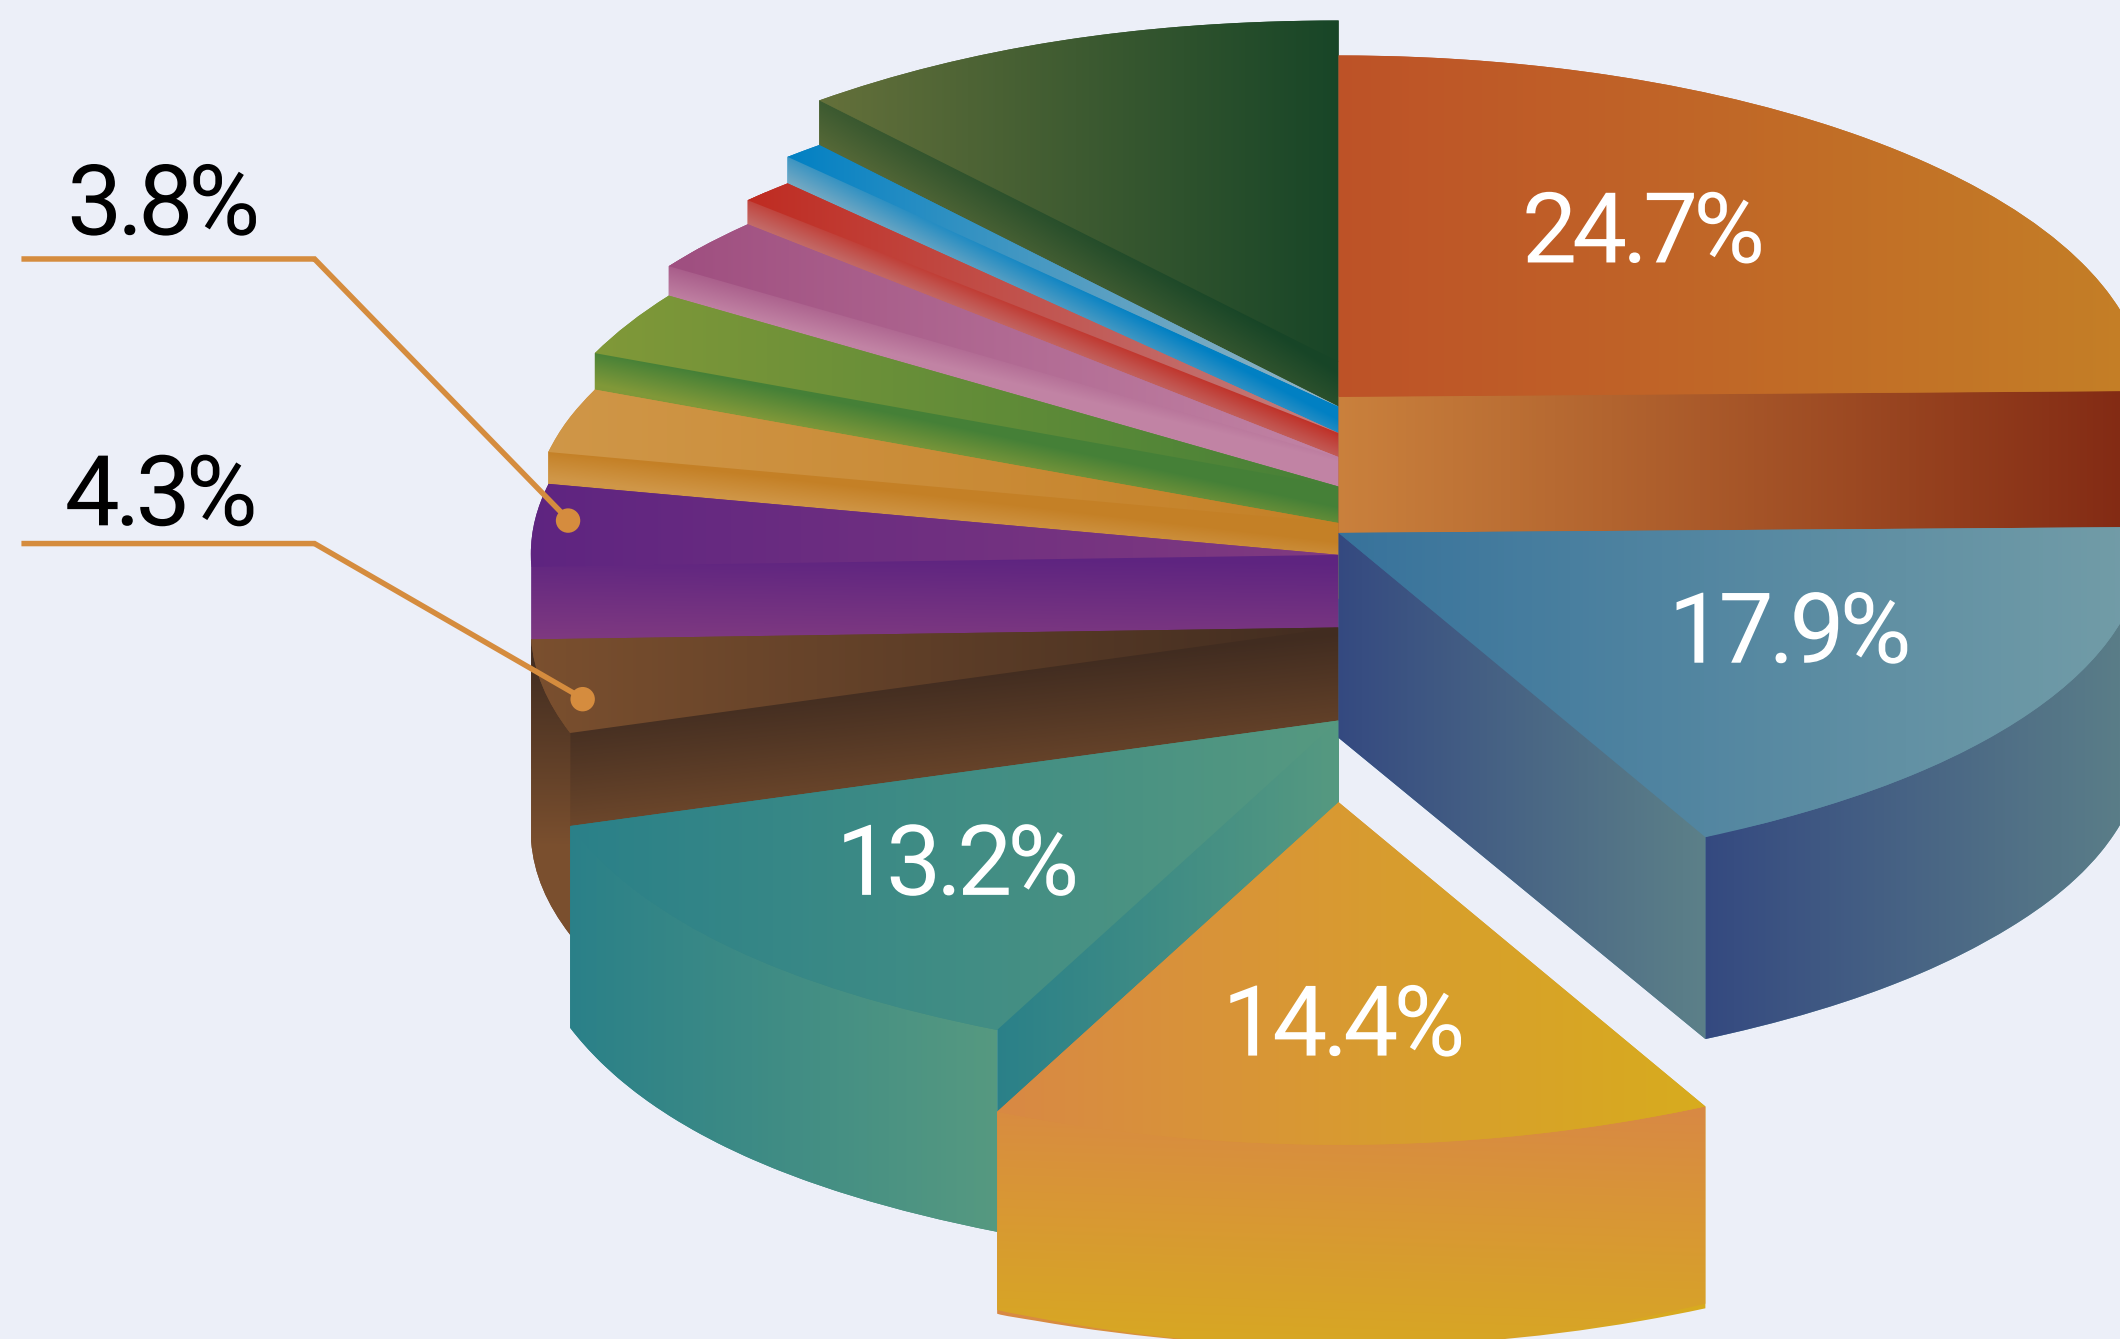

Dr.
Le Ngoc Ninh

President
Vietnam Blasting Engineering Association (VBEA)

“At today's conference, organized as part of the exhibition, we were very interested in attending to gain new knowledge about mining equipment and modern drilling machinery. At the same time, we also had the opportunity to learn more about advanced blasting technologies that are more environmentally friendly.

VISITOR'S JOB FUNCTION

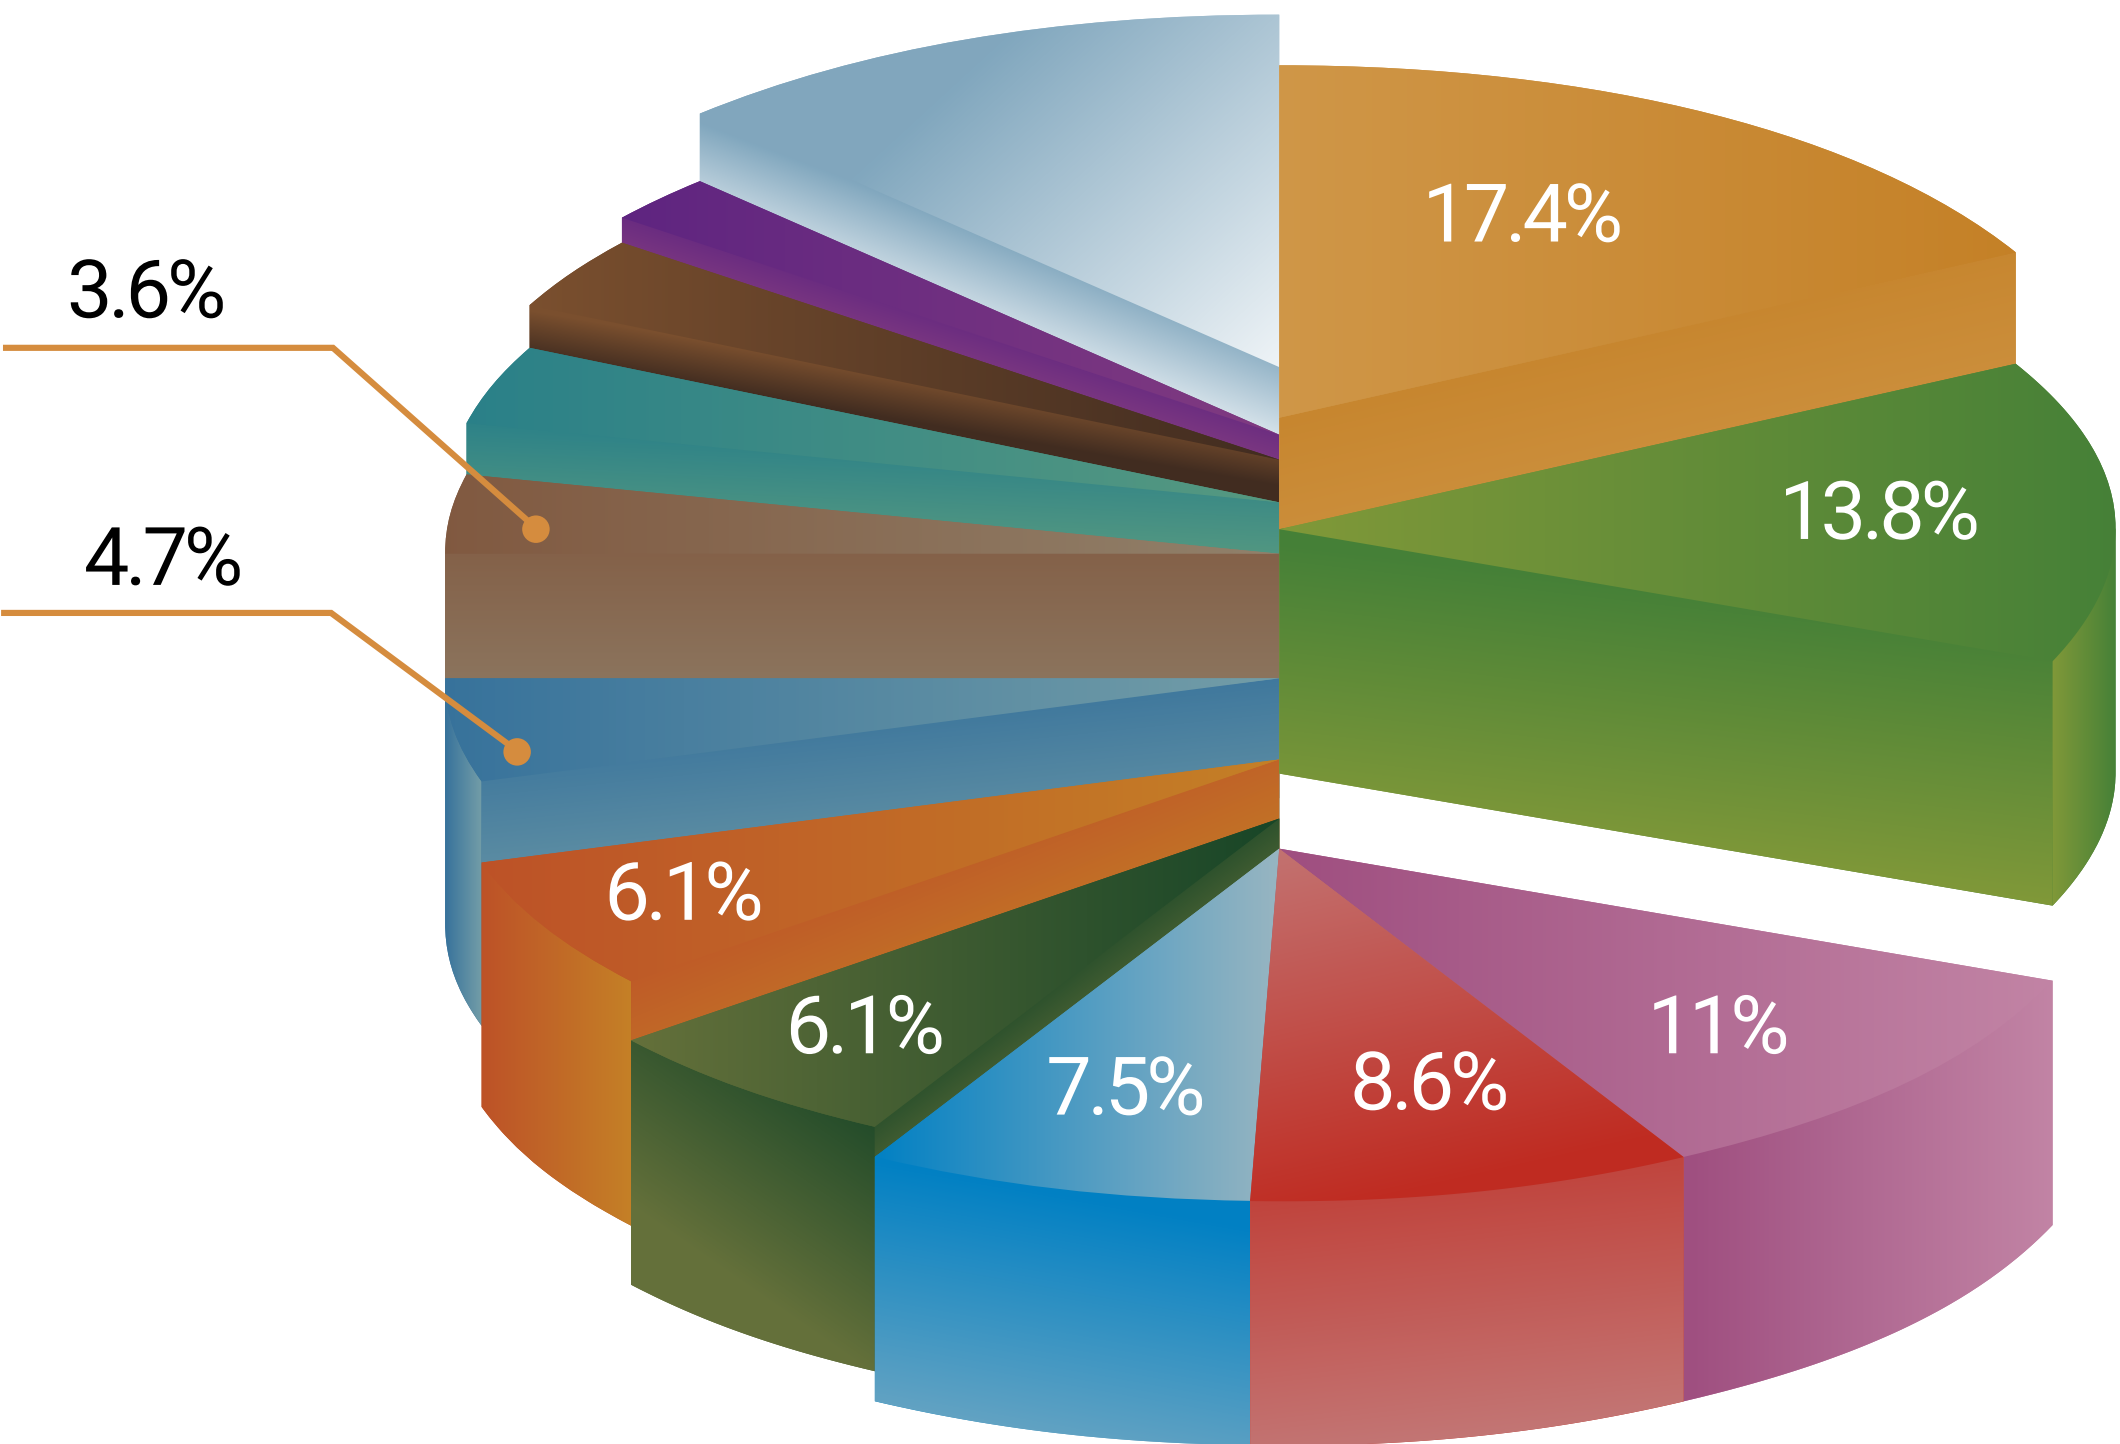

- Board of Directors
- Sales & Marketing
- Engineering
- Purchasing & Procurement
- Administration / HR / Training
- Project & Planning
- Import-Export
- Plant / Factory
- Account & Finance
- Quality Management
- Facility Management / Maintenance
- Others

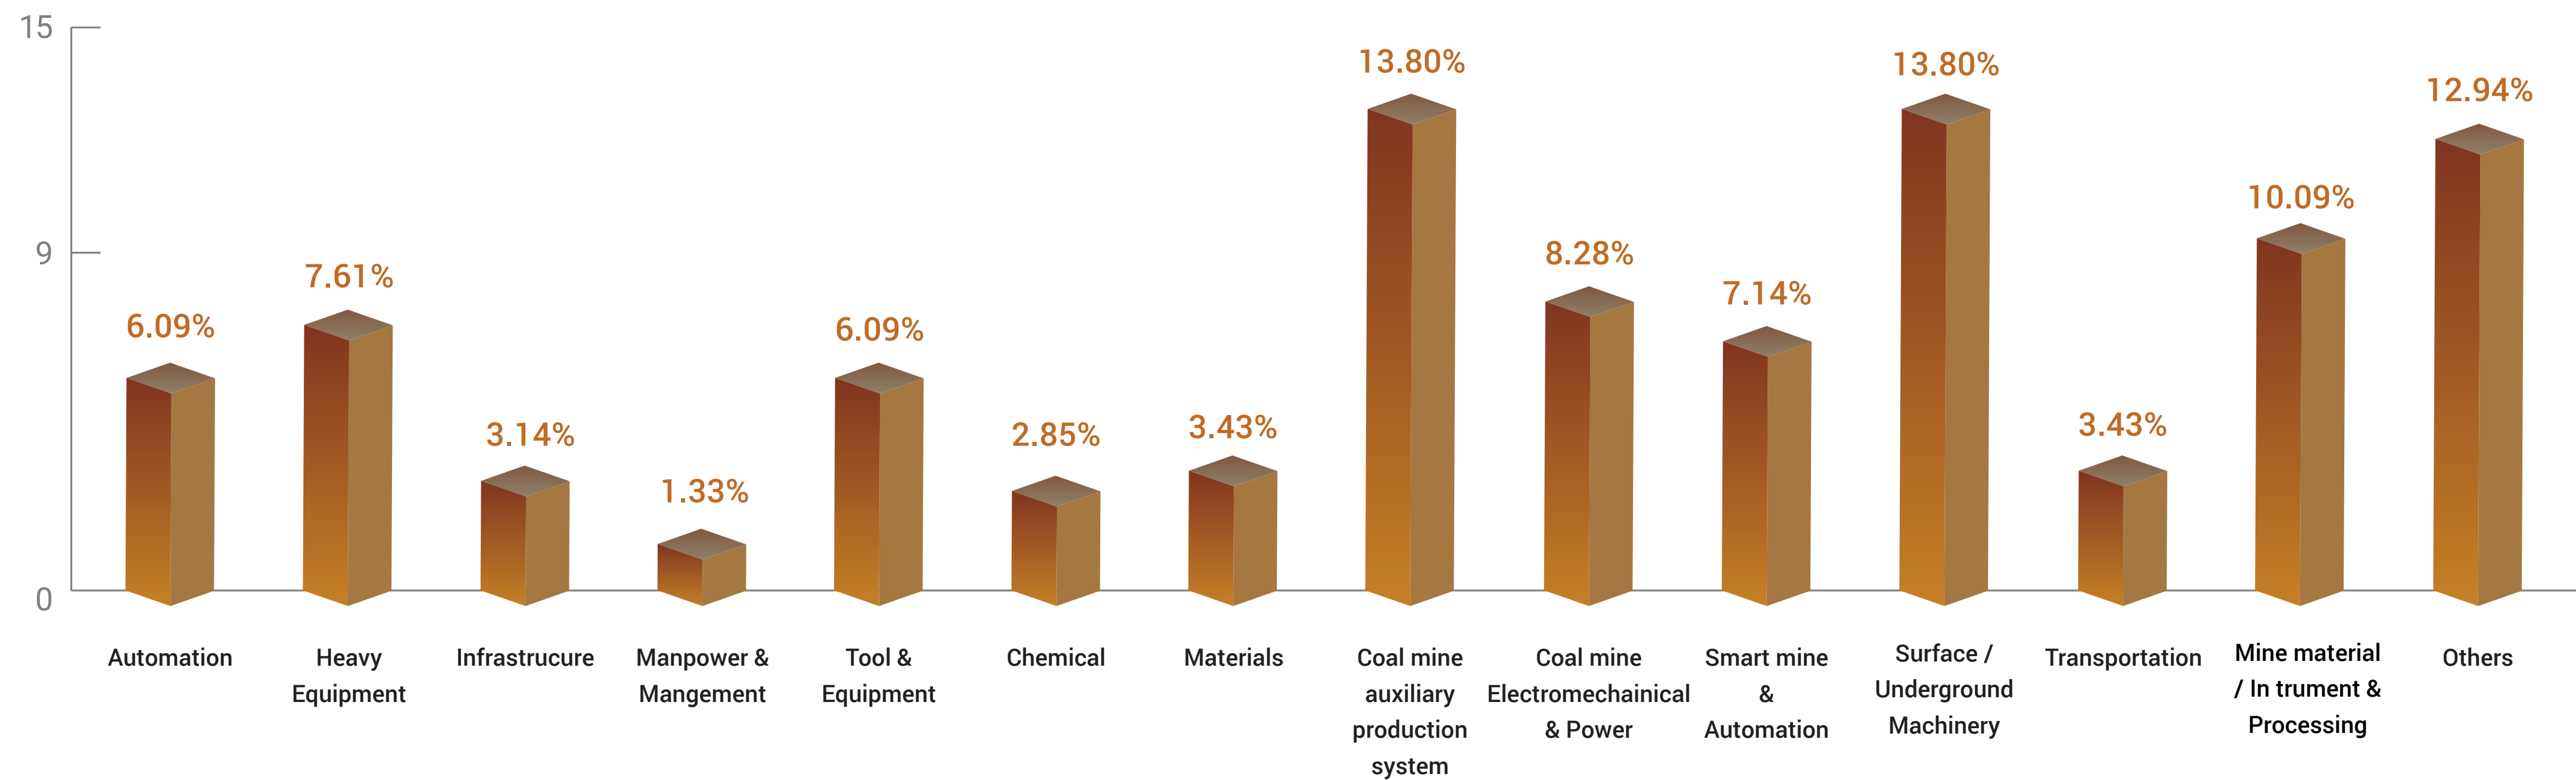

VISITOR DATA BY MAIN BUSINESS ACTIVITY

- Engineering Firm
- Mineral Exploitation
- Construction House / Contractors / Builders
- Geological / Engineering Institutes
- Cement Manufacturers
- Mineral Processing Plants / Foundries
- Power Gen / Distributors / Transporters
- Mine Owners / Developer / Operator
- Geological exploration
- Plants / Mine Chief's
- Quarry Owners, Limestone, Granite, Sandstone owners
- Geodesy
- Others, please specify
(Measurement and automation, Testing & Certification,...)
