

MINING & CONSTRUCTION VIETNAM 2027

20 - 22.4.2027

VEC, HANOI

PROJECT OVERVIEW

Mining & Construction Vietnam 2027 marks the return of Vietnam's dedicated international trade platform for the mining, minerals recovery, and construction industries. Organized by Informa Markets, the event brings together technology, equipment, and operational solutions under one roof – connecting businesses across 18+ countries and territories at **Vietnam Exhibition Center (VEC), Hanoi, from 20–22 April 2027**.

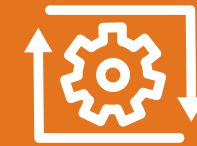

More than a trade show, Mining & Construction Vietnam 2027 is where decision-makers meet suppliers, discover new solutions, and make the right calls at the right time.

Highlighted Activities

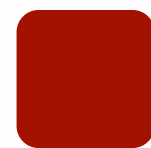

INTERNATIONAL EXHIBITION

A premier trade platform uniting 180+ exhibitors from 18 countries across the mining and construction industries in Vietnam.

BUSINESS MATCHING

A dedicated networking platform that connects qualified buyers directly with the right exhibitors – making every conversation count.

INDUSTRY CONFERENCES

Expert-led seminars and technical presentations delivering actionable insights on industry trends, innovations, and market opportunities.

PREMIERE SHOWCASE

See the latest equipment and solutions in action – a hands-on experience that goes beyond the brochure.

Mining Industry Conference

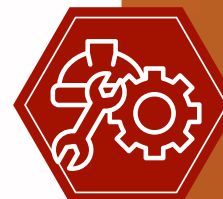

A dedicated conference bringing together industry leaders and academia to address the most pressing challenges and opportunities in Vietnam's mining sector today.

- Mine digitalization & intelligent operations
- Advanced equipment & automation in extraction
- Safety, sustainability & regulatory compliance
- Innovations shaping the future of mining

Mining & Construction Podcast Series

Mining & Construction Podcast Series to explore the technologies and ideas reshaping Vietnam's mining industry—featuring expert conversations on smart mining, digital transformation, and sustainable operations.

Seminar toward Sustainable Future

A forward-looking conference series addressing the mining and construction industries' transition toward greener, more responsible operations – covering emission reduction, clean technologies, and sustainable practices that balance performance with long-term environmental impact.

And more

EXHIBITOR PROFILES | MINING SECTOR

COAL MINE AUXILIARY PRODUCTION SYSTEM

Dedusting Units
Dewatering / Dewatering Units
Dryers / Dryers for Sand & Gravel
Electrical Equipment & Supplies
Lighting & Illumination – Commercial / Safety / Floodlights

SMART MINE & AUTOMATION

Analytical Instruments
Assay Equipment
Communications & Tracking Equipment
Computers & Software
Ground Penetrating Radar

MINE MATERIAL / INSTRUMENT & PROCESSING

Agitators & Mixers
Auto Electrical
Automotive Electrical Engineered Solutions
Batteries
Chemicals & Flocculants

COAL MINE ELECTROMECHANICAL & POWER

Bearings
Bins
Compressors
Electric Motors & Generators
Electrical Cables, Fitting, Accessories & Controls

SURFACE / UNDERGROUND MACHINERY

Auger Mining Equipment
Blasting Equipment
Coal Plough
Construction Equipment
Continuous Mining Machines

TRANSPORTATION

Auxiliary Transportation (Rail transportation / Trackless transportation)
Bucket Wheel Excavators
Excavators
Front-End Loaders
Graders

EXHIBITOR PROFILES | CONSTRUCTION SECTOR

AUTOMATION

CAD & 3D Printers
Lighting Controls
Smart Electrical Solutions
Smart Meters / Smart Sensors

INFRASTRUCTURE

Cables & Electrical
Drainage Systems
HVAC
Landscaping
Port & Airports

MANPOWER & MANAGEMENT

Architecture
Cleaning Services & Systems
Communications & Navigation
Facilities Management
Project & Data Management
Software

CHEMICAL

Admixtures / Coatings
Colours
Concrete Removers
Insulation & Waterproofing

HEAVY EQUIPMENT

Articulated Vehicles
Asphalt Paver
Cranes / Diggers
Drilling Machines

MATERIALS

Aggregates / Asphalt
Brick / Cement
Components & Parts
TOOL & EQUIPMENT
Formwork & Scaffoldings
Hand & Power Tools
Hydraulic Tools
Pliers
Power Generation / Back Up Power

Visitor Profiles

BUSINESS NATURE

Agent / Distributor / Trading

Government Agency, Association,
Education & Training, Publications

Importer / Exporter

Manufacturer

OEM / Subcontractor

Service Company

Wholesaler / Retailer

BUSINESS ACTIVITY

Cement Manufacturers

Construction House / Contractors / Builders

Engineering Firm

Geodesy

Geological / Engineering Institutes

Mine Owners / Developer / Operator

Mineral Exploitation

Mineral Processing Plants / Foundries

Plants / Mine Owners

Power Gen / Distributors / Transporters

Quarry Owners, Limestone, Granite, Sandstone owners

Testimonial

The exhibition is an important platform for us to connect with local partners in a key market like Vietnam, especially across the mining and power sectors where our technologies can bring practical value.

Daniel Vacek
Vice President
Czech Extraction &
Mining Technology Association

I find that the organization is very well prepared and highly relevant to our scope. The event provides a great opportunity for us to introduce our products to a wide audience.

Nguyễn Hoàng Thảo
Head of Technical Department
Van Thai Long Mechanical and
Electrical Joint Venture Co.,Ltd

The exhibition created valuable opportunities for customers to experience products firsthand, engage directly, and share practical feedback.

Thạch Nguyễn Kim Toàn
Marketing Manager
Dai Kinh Bac Trading Import Export And
Technical Co.,Ltd

SHOWCASE & NETWORKING

A dedicated exhibition space where the mining and construction industries converge – connecting equipment manufacturers, solution providers, and technology innovators directly with mine operators, contractors, and industry decision-makers seeking real, applicable solutions.

WHY TO EXHIBIT?

SHOWCASE INNOVATION

Present your latest mining equipment, machinery, and operational solutions to key industry decision-makers

GAIN MARKET INSIGHT

Understand local market demands and emerging industry trends.

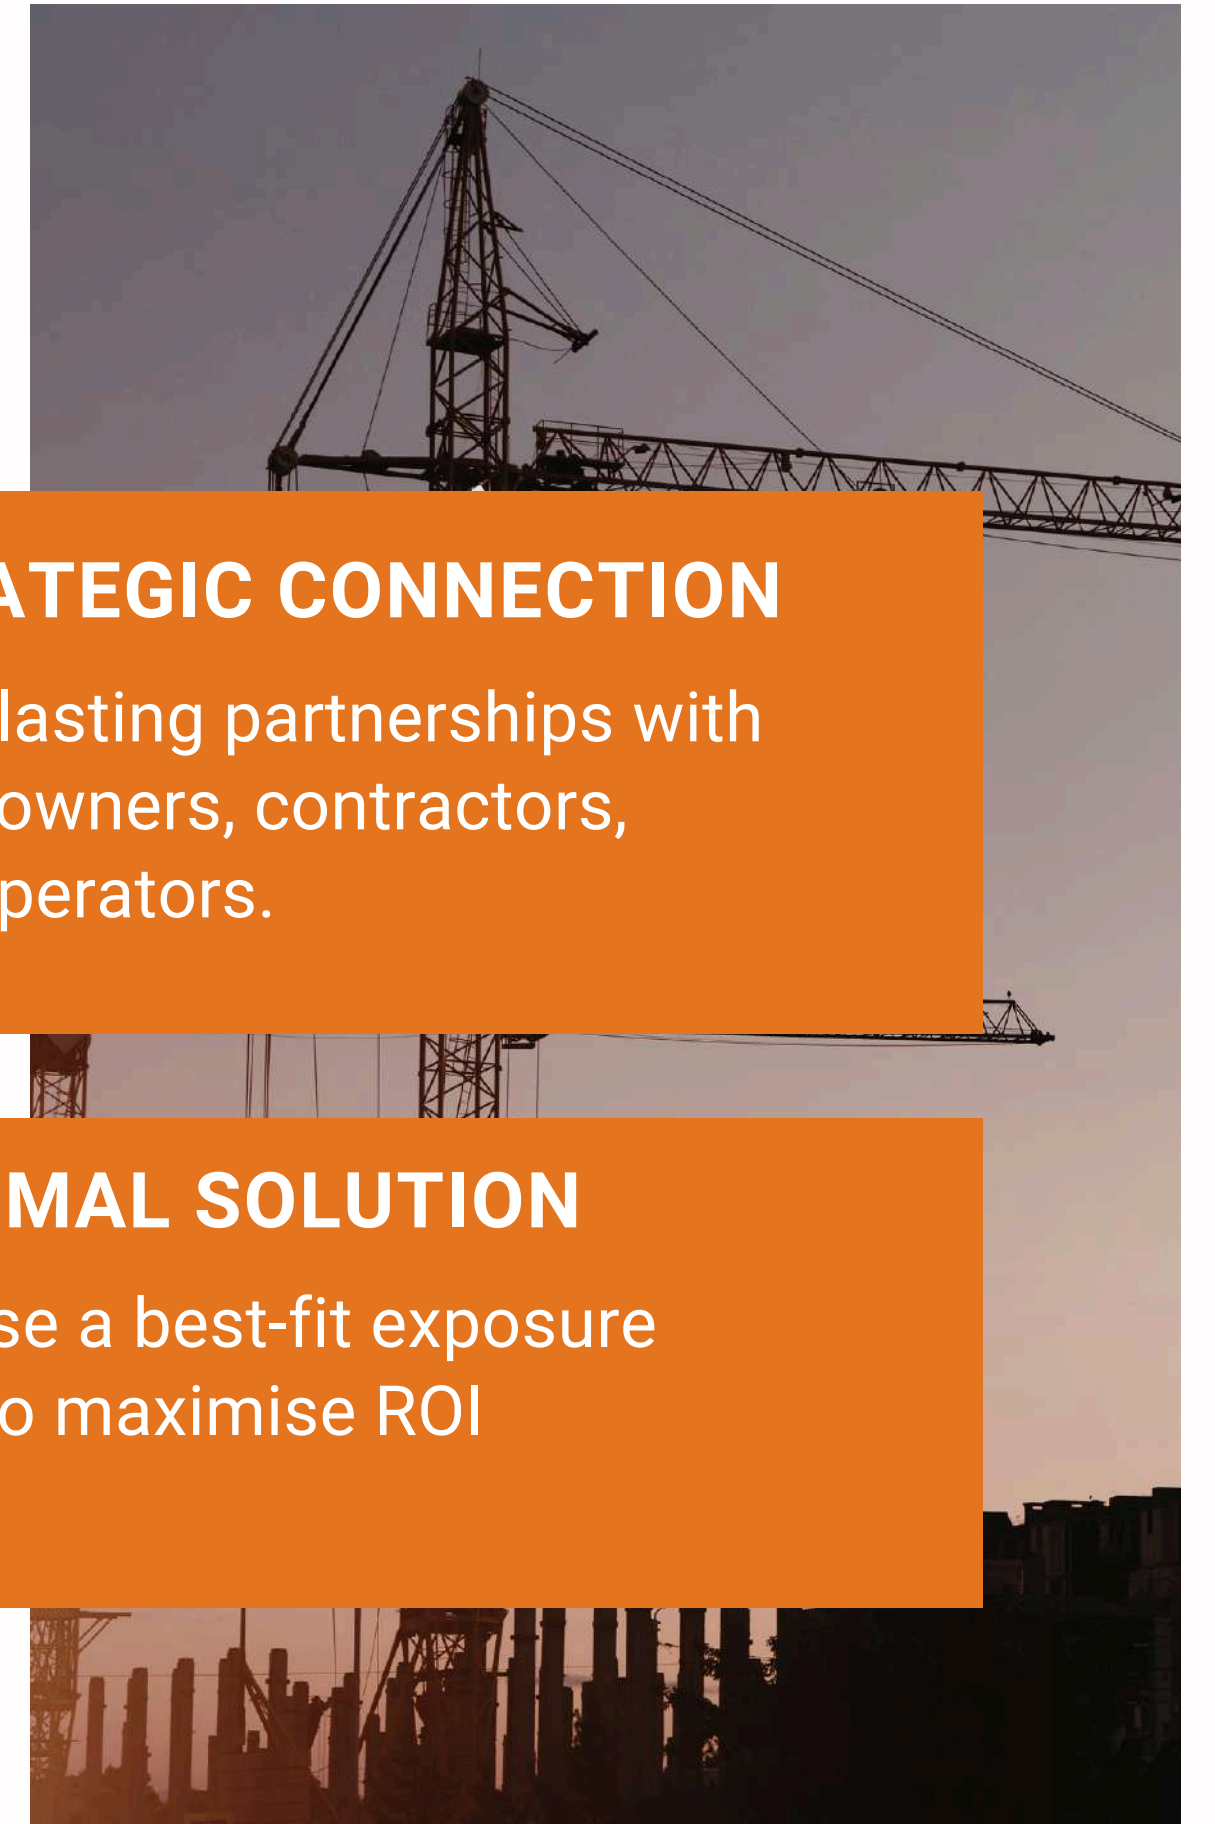

STRATEGIC CONNECTION

Build lasting partnerships with mine owners, contractors, and operators.

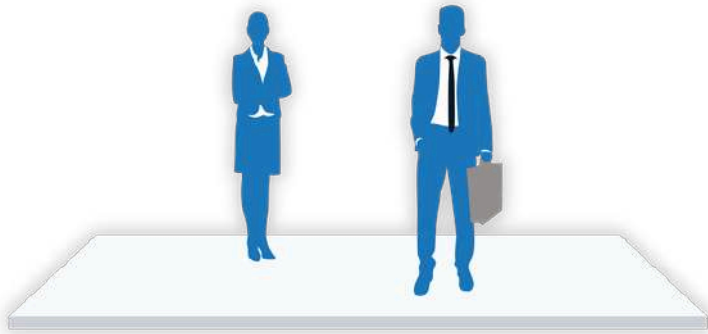

OPTIMAL SOLUTION

Choose a best-fit exposure plan to maximise ROI

COST OF PARTICIPATION

	RAW SPACE (Min. 27 sqm)	STANDARD BOOTH (Min. 9 sqm)	
INDOOR SPACE	10,400,000 VND/m² (USD 400/sqm)	12,220,000 VND/m² (USD 470/sqm)	
OUTDOOR SPACE (Raw Space Only)	36 – <100m²: 4,200,000 VND (USD 162/sqm)	100 – 200m²: 3,000,000 VND (USD 115/sqm)	>200m²: 2,550,000 VND (USD 98/sqm)

Prices exclude any local tax.
