DIGITAL CONNECT @ FOOD&HOTEL VIETNAM

Show Date: 7-9 Sept 2021

Presenting Digital Connect @ Food & Hotel Vietnam, the online platform that provides the F&B Hospitality industry a platform to connect, engage and generate business leads in the most cost-effective way.

Online Meeting Platform for Live Events

Transform your presence into an online product display with networking access. Digital Connect @ Food & Hotel Vietnam offers increased ROI and profitable encounters with our Artificial Intelligence (AI)-powered online product showcase & networking platform.

The Benefit that this Platform Offers You

Through this online platform the attendees will get an opportunity to showcase their products digitally, see existing and new products updates, meet new and existing buyers and request for one-to-one business meetings with each other.

<u>EXHIBITOR</u>	<u>VISITOR</u>
<p>Inbound Leads Exhibitors get an overview with all people that interacted with their company and related profiles</p>	<p>Product Profiles Greater visibility for exhibitors with the ability to create profiles for their products</p>
<p>Company/Exhibitor Profiles Company profiles make it easier for visitors to find out more about exhibiting companies</p>	<p>Event Matchmaking The leading AI-powered event matchmaking solution</p>
<p>Export Contacts and Meetings Export all your contacts and meetings including contact details for the ones obtained.</p>	<p>Chat Messaging Instant chat messaging across the web platform</p>
<p>Virtual Meeting Rooms Have all meetings take place virtually straight from the platform on both Web and Mobile.</p>	<p>Meeting Availability Management Easily configure which days and times you are attending a show to streamline the scheduling of meetings</p>

<p>Event Agenda Showcase your entire products with powerful features and customization</p> <p>Smart Calendar Link Exhibitors get a shareable smart meeting link, enabling prospects to book meetings with them at the event in seconds</p>	<p>Calendar Integration Meetings are automatically synced with native calendars (iCal, Outlook, Google Calendar etc.)</p> <p>Meeting Scheduling Powerful meeting scheduling functionality across all devices</p>
