

# Saladplate MATCH

## ABOUT SALADPLATE MATCH

A business solution to help suppliers reach targeted buyers using Saladplate's buyer database.

**Saladplate**

# Saladplate MATCH

Up to 50 best-matched buyers will show in the results.

In the supplier portal, suppliers can search and filter targeted buyers from Saladplate's buyer database.

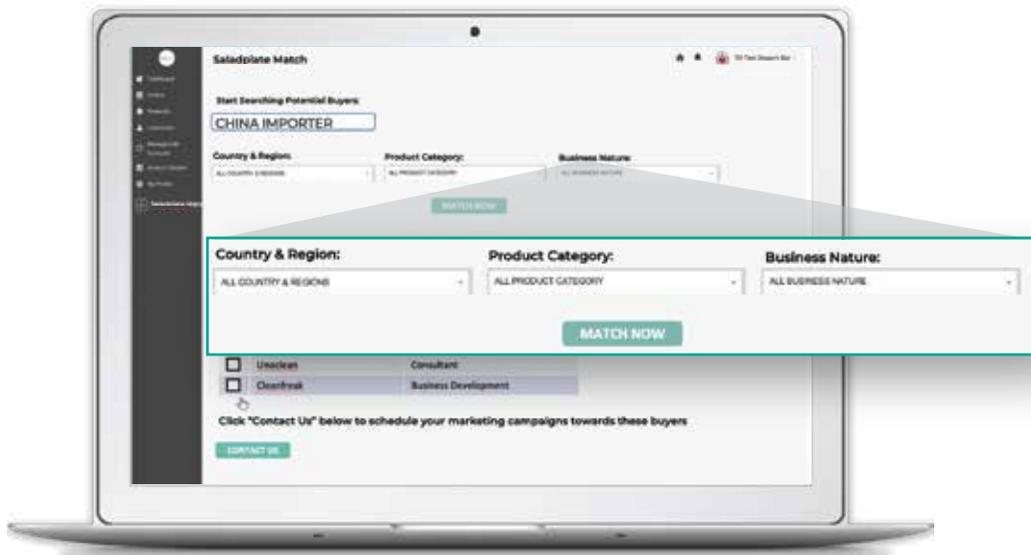

Suppliers can discuss marketing services with the Saladplate sales team.

Suppliers can select the most relevant buyers.

## STEP 1

1

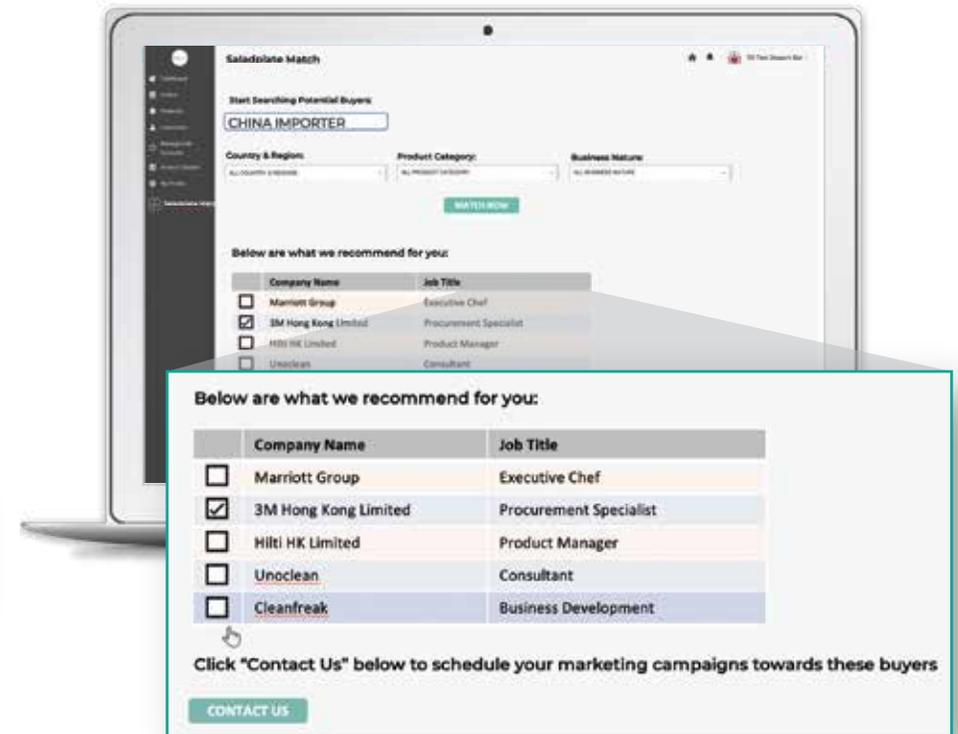

Suppliers search and filter buyers by:

- Country & Region
- Product Category
- Business Nature

## STEP

2

Up to 50 best-matched suppliers will show, including company name and job title.

## STEP

## 3

Once the supplier clicks “Contact Us” and sends the request email to the Saladplat sales team, we will be able to offer marketing services.
