

Bett Asia 2022 Roadshow The Athenee Hotel, Bangkok, Thailand 27 April 2022

Bett is the global community for education technology. We spark ideas, create connections and accelerate trade, driving impact and improving outcomes for teachers and learners.

After three years, Bett is proud to present the in-person return of Bett Asia. Taking place on 11-12 October for the first time in Bangkok, Thailand, Bett Asia 2022 will gather K12 and Higher Education leaders, policy-makers, and educators from the region for two full days of content, solution discovery, and networking opportunities.

Curated in collaboration with the UK Department for International Trade, Bett Asia invites you to this half-day roadshow to hear from Bett Asia 2022 event co-hosts, The Ministry of Education Thailand and The Ministry of Higher Education, Science, Research and Innovation Thailand, along with leading voices within the region's education technology space, to spark the conversation in the countdown to Bett Asia 2022.
