Have Meetings! Create Opportunities!

All new for 2023 — Introducing Connect @ Bett!

It's Where Business Gets Done!

Connect @ Bett helps the Bett and Ahead by Bett communities connect and collaborate via individual and group meetings. You'll meet new people, discover new organisations and create incredible opportunities and meaningful connections that result in new leads and business opportunities.

Connect @ Bett is the largest lead gen meetings programme for solution providers and buyers from Education Institutions and Governments. We'll connect 2,000+ buyers from Education Institutions and Governments with 300+ Solution Providers for 5,000+ high value lead gen meetings onsite at Bett and Ahead by Bett 2023. All meetings are double-opt in (both people want to meet each other) and are scheduled based on each individual's availability.

Solution Providers join Connect @ Bett to:

Participate in double optin 15-minute introductory meetings with buyers from Education Institutions and Governments who want to meet you (we've completed tens of thousands of meetings and, trust us, 15 minutes is the right amount of time)

Continue your 15-minute introductory conversations by requesting follow up meetings in our app and downloading your meetings summary, including notes taken and contact details for everyone you meet

Sponsor small group 45-minute roundtable discussions (called Tabletalks) on key education topics with 5-8 individuals from Education Institutions and Governments (opportunities limited)

Connect @ Bett is powered by a leading meetings tech company that developed and operates the largest meetings programmes for retail and fintech events in the US.

Generate Leads with Connect @ Bett

Every solution provider selling to Education Institutions and Governments should join Connect @ Bett to:

1. Meet prospects from Education Institutions and Governments and generate qualified leads

2. Re-engage with existing contacts and end users to identify new opportunities to work together

3. Launch new products, make announcements and share news with 2,000+ buyers

Solution providers can purchase meetings as part of Connect @ Bett which are priced at £250 +VAT per meeting (£150 +VAT for qualifying Startups*) and available in packages of 10 or more. You do not need to be an exhibitor to purchase meetings.

bett

Bett in London is the world's largest education show. For over 36 years it has been there to connect the global EdTech and resources industry with educators, institutions and governments looking to learn, to trade, and to network. Bett offers the chance to stand shoulder-to-shoulder with the biggest and brightest EdTech and resource providers, to demonstrate your commitment to innovation in front of the biggest gathering of education buyers and to generate the qualified leads that will set your business up for success into the future. As well as our world-leading exhibition, our digital solutions and omnichannel approach provide access all year round.

Ahead by Bett is the destination for Higher Education leaders and educators to come together with the world's leading EdTechs to learn, network and trade. As part of the biggest week in education, co-located with Bett. You can hear from changemakers, experience innovation and collaborate with peers all within one space dedicated to Higher Education.
