The Global Health Exhibition is a critical platform for us because Saudi Arabia's healthcare ecosystem is advancing faster than ever before. Our presence here allowed us to connect with key stakeholders, policy makers, clinicians, and customers, understand emerging needs and showcase how diagnostic innovation can help accelerate the Kingdom's ambitions."

Launching VIBE

Saudi Arabia's Newest Platform for Holistic Health, Longevity & Wellness Innovation

VIBE attracted prominent wellness and fitness exhibitors, including Technogym, Samsung, Fine Solutions, Biofit, Delta Fitness, Ultrahuman, Optimo, B_Fit and others, underscoring the event's growing relevance within the wellness ecosystem.

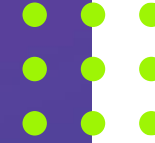

VIBE featured immersive experiences that linked wellness with technology and play.

Attendees engaged with the VIBE Social Club, which included a basketball shooting zone and interactive fitness activations designed to connect physical movement with mental wellbeing.

Another key highlight was the LiveWell Youth Competition, sponsored by Roche. Supported by seven Saudi universities, the competition attracted 117 team submissions and over 600 participants, demonstrating the creativity and innovation of the next generation in shaping the future of wellness.
