800+ Summit attendees

200+ Summit speakers

3 days of content & insights
Exhibition

Local and international brands across a range of industries
Programmes Feature

One-of-a-kind seminars, workshops, and experiences designed to inspire and engage attendees across the 3 sectors

**BroadcastAsia**

Key industry players discussed the latest innovation technologies that are disrupting the broadcasting & multi-media industry.

**CommunicAsia**

3 days of action-packed content which addressed Esports, Content Production, and Radio & Podcasting.

**NXTAsia**

Key speakers offered insights on non-linear broadcasting solutions and alternative content platforms.

---

**Innovation Hub**

**Content Stage**

**TVeXchange**

**SatComm Stage**

**5G Xperience**

Catered especially for the satellite communication industry — sessions throughout the 3 days touched on satellite trends, cases for 5G and IoT, and more, with presentations, panel discussions, and networking opportunities.

Shaping the future digital society, 5G enabled technology came to life through live demonstrations.

With technology shaping today’s world, and laying the foundation for tomorrow, the speakers gave an outlook of what lies in the future for our world.
Audiences witnessed the latest technology presentations on Cloud, Big Data, Artificial Intelligence, Machine Learning and IoT, Smart City, Cybersecurity.

The daily guided technology tours based on various themes such as 5G and Smart Cities offered opportunities to hear from the industry’s experts themselves!

This premier techno-centric conference focused on the sharing and discussion of deep-technical knowledge and insights, cybersecurity capabilities and capacity building.

“The buzz and media spotlight on ConnecTechAsia makes it a great platform for Solustar to showcase our latest innovations to wide pool of prospects across different industries...”

Louis Loo, Founder and CEO, Solustar
Networking Activities

Nothing beats face-to-face interactions with potential customers, where we got feedback and insights that are crucial...

Ling Ting Ming, CEO, OTSAW

CEO Exchange

This invitation-only platform saw over 50 C-levels or equivalent titles discuss and share ideas and solutions to top industry challenges and network.

CIO Forum

An exclusive C-suite programme that offered CIOs a better understanding of challenges within their business and ways to address these challenges.

Business Matching Programme

Fruitful, targeted meetings ensured relevant content discovery and experience through successful matching amongst all.

Sundown Beer Sessions

A place where everyone could relax and unwind after a long day of business with a glass of chilling beer to re-engage with industry colleagues and customers.
